

# 2014 Computer Science and Engineering Summer Courses

Register now, earn credit and get ahead!

**Interact closely  
with our expert  
instructors in smaller  
class sizes.**

**SMALLER  
CLASS SIZES**

**6 OR 9 WEEK  
COURSES**

**All classes held at:  
University at Buffalo  
North Campus  
(716) 645-3180**

<b>COURSE #</b>	<b>COURSE NAME</b>
CSE 101	Computers: A General Introduction
CSE 111	Great Ideas in CS
CSE 113	Introduction to Computer Programming 1
CSE 115	Introduction to CS Majors 1
CSE 116	Introduction to CS Majors 2
CSE 191	Discrete Structures
CSE 241	Digital Systems
CSE 250	Data Structures
CSE 305	Introduction to Programming Languages
CSE 331	Introduction to Algorithm Analysis & Design
CSE 341	Computer Organization
CSE 396	Introduction to Theory of Computation
CSE 408/508	Programming with Python
CSE 421	Introduction to Operating Systems
CSE 422/512	Operating Systems Internals
CSE 462	Database Concepts
CSE 490/590	Computer Architecture
EAS 230	Engineering Computation
