

# CSE 113 A

April 5 - 9, 2010

## Announcements

- ⚙ Lab 4 begins this week in recitation due Sunday, April 25<sup>th</sup>.
- ⚙ Contrary to those who can not read the syllabus, no lab grades are dropped, only your lowest exam grade.
- ⚙ Exam 4 – Friday, April 23<sup>rd</sup>

## In Lecture

- ⊗ We completed (basically) all the exercises in Chapter 9 which resulted in the creation of a scenario almost exactly the same as the one you were given at the start of Lab 4.
- ⊗ In preparation for Lab 4, it may be useful to complete the scenario as given in Chapter 9 by completing the exercises. The “blank” chapter 9 scenario is located in </eng/class/notes/cse113/book-scenarios/chapter09/ants>
