

Dealing with Junk Email

Since all communication by email is expected to be through your @buffalo.edu account, or some other on-campus account (notice my email is kershner@cse.buffalo.edu), you may need to set up E-mail **filters** to capture some of your junk email.

To set up filters go to:

<http://ubit.buffalo.edu/mail/junk.php>

If you have problems contact the campus Computing IT Help Desk

214 Lockwood, Lockwood 2nd Floor Cybrary

Phone: 716-645-3542

Fax: 716-645-3617
