<u>Dealing with Junk Email</u>

Since all communication by email is expected to be through your @buffalo.edu account, or some other on-campus account (notice my email is kershner@cse.buffalo.edu), you may need to set up E-mail ***filters*** to capture some of your junk email.

To set up filters go to:

http://ubit.buffalo.edu/mail/junk.php

If you have problems contact the campus Computing IT Help Desk

214 Lockwood, Lockwood 2nd Floor Cybrary
Phone: 716-645-3542
Fax: 716-645-3617
