 529LEC Grad Algs for Modern Computer Syst LEC Y
 sec: 2019 Fall

Instructor	Questions	Text Responses
	Question: Course element found effective	(CSE 529LEC) If you go to class, you have a full understanding of the material you're expected to know.
	Question: Course element found effective	(CSE 529LEC) Well organized, best style of teaching
	Question: Course element found effective	(CSE 529LEC) Great professor. Great class.
	Question: Course element found effective	(CSE 529LEC) Teaching
	Question: Course element found effective	(CSE 529LEC) Professor's lectures
	Question: Course element found effective	(CSE 529LEC) Please provide assignments so that we can score in them too which would help us with the grades
	Question: Course element found effective	(CSE 529LEC) Teaching method
	Question: Course element found effective	(CSE 529LEC) Quite satisfying in terms of course content and the way the professor taught in class
	Question: Course element found effective	(CSE 529LEC) very useful knowledge about parallel algorithms.
	Question: Course element found effective	(CSE 529LEC) The lectures were extremely organised.
	Question: Course element found effective	(CSE 529LEC) Slides might be helpful
	Question: Course element found effective	(CSE 529LEC) CSE529 has one of the most interactive lectures. This class has strengthened my interest in parallel computing
	Question: Course element found effective	(CSE 529LEC) I enjoyed the lectures , and learnt a lot about how parallel systems can be implemented in real world.
	Question: Course element found effective	(CSE 529LEC) Teaching style, textbooks, lectures
	Question: Course element found effective	(CSE 529LEC) Black board teaching
	Question: Course element found effective	(CSE 529LEC) Professor in class explanation
	Question: Course element found effective	(CSE 529LEC) Professor Miller's teaching methods.
	Question: Course element found effective	(CSE 529LEC) The reference book is quite interesting and understandable. It was fun
	Question: Course element found effective	(CSE 529LEC) no

Question: Course element found effective	(CSE 529LEC) The notes that the professor give
Question: Course element found effective	(CSE 529LEC) The course was very well organized regarding the contents that instructor had taught this semester. Also, there was no difficulty understanding the core concepts of this course as the instructor explained from simple to complex concepts simply and clearly.
Question: Course element found effective	(CSE 529LEC) The coursework was challenging and interesting at the same time.
Question: Course element found effective	(CSE 529LEC) The Professor!
Question: Course element found effective	(CSE 529LEC) Professor's exceptional teaching skills.
Question: Course element found effective	(CSE 529LEC) The professor's teaching is very good also the TAs are very helpful and very knowledgeable
Question: Course element found effective	(CSE 529LEC) The professors explanations of the various architectures covered was very easy to understand.
Question: Course element found effective	(CSE 529LEC) The practical approach of understanding each architecture and its implementation.
Question: Course element found effective	(CSE 529LEC) Professors explanation!
Question: Course element found effective	(CSE 529LEC) engaging lectures
Question: Course element found effective	(CSE 529LEC) Parallel Algorithms Analysis of Runtime
Question: Course element found effective	(CSE 529LEC) The Professor is the soul of this course. His explanation is awesome.
Question: Course element found effective	(CSE 529LEC) Class room teaching The way of professor delivering the course content
Question: Course element found effective	(CSE 529LEC) Prof. Miller' way of teaching is excellent, he explains every concept in clear detail, one needs to only attend his class and then go through the notes and his book, which just reinforces the idea learnt
Question: Course element found effective	(CSE 529LEC) One thing that helped me in this course is the professor's teaching. He made the concept very clear and understandable. Just attending all the lecture helped me prepare 80% of the course material.
Question: Course element found effective	(CSE 529LEC) Lectures
Question: Course element found effective	(CSE 529LEC) Parallel Algorithms Time complexity
Question: Course element found effective	(CSE 529LEC) Material was explained in simple hence effective way.
Question: Course element found effective	(CSE 529LEC) Exxcellent way of teaching a subject
Question: Course element found effective	(CSE 529LEC) The classes were very effective
Question: Course element found effective	(CSE 529LEC) Attending each and every class is the key to gain good knowledge in this course.

Question: Course element found effective	(CSE 529LEC) Method of teaching
Question: Course element found effective	(CSE 529LEC) All the lectures related to parallel computing
Question: Course improvements	(CSE 529LEC) Assigning homework would alleviate student anxiety at exam times by adding another metric to their grade, instead of dragging them down if they were sick/unwell/ just made a careless mistake trying to finish an exam on time/during an exam
Question: Course improvements	(CSE 529LEC) The lecture is very good.
Question: Course improvements	(CSE 529LEC) Video recording
Question: Course improvements	(CSE 529LEC) If lessons were available online
Question: Course improvements	(CSE 529LEC) Not really required except the tas shouldnt be rigid to text book solution s while evaluation
Question: Course improvements	(CSE 529LEC) The content covered could be uploaded on blackboard. This will help graduate students in their final semester who might have missed a class due to interviews.
Question: Course improvements	(CSE 529LEC) A project in place of the final exams, which implements the concepts learned in class, would be a great addition to the course.
Question: Course improvements	(CSE 529LEC) Exams were very abstract. I would have liked more clear questions.
Question: Course improvements	(CSE 529LEC) None
Question: Course improvements	(CSE 529LEC) 1. Homeworks; so as to not just rely on one day of exam to determine our learning curve.
Question: Course improvements	(CSE 529LEC) Nothing
Question: Course improvements	(CSE 529LEC) no
Question: Course improvements	(CSE 529LEC) N/A
Question: Course improvements	(CSE 529LEC) Classroom recordings would be good.
Question: Course improvements	(CSE 529LEC) None.
Question: Course improvements	(CSE 529LEC) small written assignments would go to great lengths in understanding the material better
Question: Course improvements	(CSE 529LEC) There should be assignments with this course graded or non-graded.
Question: Course improvements	(CSE 529LEC) A few course assignments, which are ungraded to practice.
Question: Course improvements	(CSE 529LEC) Should include some assignments and practical aspects.
Question: Course improvements	(CSE 529LEC) Pratical assignments could have been better
Question: Course improvements	(CSE 529LEC) Na
Question: Course improvements	(CSE 529LEC) none
Question: Course improvements	(CSE 529LEC) None. It's one of the best courses of UB
Question: Course improvements	(CSE 529LEC) Good course. No need for improvements. It is perfect.
Question: Course improvements	(CSE 529LEC) The course is pretty good and requires no improvement
Question: Course improvements	(CSE 529LEC) None! I like this course
Question: Course improvements	(CSE 529LEC) Would be very helpful if some reference(eg: book) for the prerequisite undergrad material if also provided to brush up basics at the beginning of course.
Question: Course improvements	(CSE 529LEC) None

	Question: Course improvements	(CSE 529LEC) Is good as it is, no improvements needed
	Question: Course improvements	(CSE 529LEC) None
	Question: Course improvements	(CSE 529LEC) Nothing.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Excellent.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) He is brilliant at his job.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Very Good
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Really effective
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Amazingly effective!
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Could not have been more effective
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Very patient and confident.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Extremely effective and clear. Maybe slides for a few topics might have made things more clear.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Prof. Miller was great and really helpful during the course, I learnt many things with his help.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Dr. Miller makes sure that students interact during his classes and are attentive.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Excellent teaching.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Very effective
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Miller made class very interesting and the way he explains a topic is clear. He knows what he is doing. I am satisfied with the course.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Has helped understand the concepts well.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) no
Miller, Russ	Question: Effective teaching	(CSE 529LEC) He is by far the best professor in UB
Miller, Russ	Question: Effective teaching	(CSE 529LEC) The instructor Russ Miller was very passionate and chose white board based class instead of using ppt based class. Writing down his lecture helped me understand faster about the concepts and contents. I was able to well-concentrate every class. Unforgettable course I've ever taken.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) He is a very good instructor who can get his points across clearly and in a structured way.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Easily the best professor I have had the opportunity to study under till now.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) He is outstanding. Makes you want to only learn more and not be anxious about grades or new stuff. Which is what really matters. He's an inspiration, and the most wonderful teacher I've ever had.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) He is excellent and the best prof I have studied under!
Miller, Russ	Question: Effective teaching	(CSE 529LEC) The instructor explained difficult parallel architectures with ease.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) He is very effective in terms of explaining the concepts and articulation in depth concepts
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Dr. Miller, explains very well and each and every student who pays attention in his class understands the concepts.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Excellent

Miller, Russ	Question: Effective teaching	(CSE 529LEC) Clearly an expert in the field and knows how to convey the material to students. Actually cares about teaching and not just his research or paycheck
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Excellent professor. Keep it up.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) He is one of the best professors of UB. I dreaded Algorithms but he made it feel like a cake walk.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Excellent
Miller, Russ	Question: Effective teaching	(CSE 529LEC) The way he teaches course is pretty good and if we pay enough attention then no need of studying outside.
Miller, Russ	Question: Effective teaching	(CSE 529LEC) The best teacher in my first semester at UB, enough said
Miller, Russ	Question: Effective teaching	(CSE 529LEC) As I said earlier, I would rate the professor 5 start. He made the concept clear and made you visualize them. I like his teaching
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Professor explained material in simple language and was understandable
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Very effective
Miller, Russ	Question: Effective teaching	(CSE 529LEC) excellent coarse
Miller, Russ	Question: Effective teaching	(CSE 529LEC) Excellent
