

Please answer the following to the best of your ability, and return this sheet after class. Replies will help me to schedule our office hours and target lectures and recitations to best advantage. Replies will be kept in strict confidence—also, please contact me separately as well if point 7 applies.

1. Name Student ID# (Not SSN).
2. E-mail address.
3. Class (circle one of Freshman, Sophomore, Junior, Senior).  
Are you a CSE major?
4. Are you currently taking a course using the TopHat system?
5. Have you had a course using TopHat before? If so, please say which one(s).
6. Have you programmed recursion in Python, ML, Haskell, Scala, Lisp, Prolog—or in Java?
7. Are there any special personal considerations that may affect your participation in this course?
8. Please **circle** the recitation that you are registered for. (Note that R2 and R3 are out of time order.)  
R1: Mon. 8–8:50am   R2: Mon. 5:20–6:10pm   R3: Mon. 4:10–5:00pm  
R4: Thu. 4:00–4:50pm
9. Then in the table below, please put an **X** in time slots where you have other commitments. Round to hours or half-hours as best you can.

Time	Monday	Tuesday	Wednesday	Thursday	Friday
8am
