This homework is to be done by each person, individually.

1. (3) Create a file named `id.csv` containing one line. On that line, put
  - (a) your name, written as the University alphabetizes it, enclosed in quotation marks and followed by a comma;
  - (b) your IT user name followed by a comma;
  - (c) Either CSE463 or CSE563 whichever one you are registered for.
  - (d) the CSE 463 or 563 recitation you are registered for—either R1 or R2.

For example, I might put

```
"Shapiro, Stuart Charles",shapiro,CSE563,R1
```

Submit that file by executing the Unix command

```
submit_cse463 id.csv
```

or

```
submit_cse563 id.csv
```

whichever is appropriate for you.
